CR Treasurer Elections – Lent 2012

I have been treasurer of the CR since last July, initially as acting treasurer over the summer and then as elected treasurer since October. I want to continue this work to ensure the CR financial situation continues to improve, allowing support for as many CR societies, events and projects as possible.

What have I done as treasurer?

- Jointly chairing the CR Refurbishment Committee who coordinated the successful CR refurbishment over the Christmas vacation
- Chairing the reformed CR Finance Committee to allow additional requests for funds to be assessed and providing increased accountability
- Managing the CR Budget for 2011/2012 in collaboration with College societies
- Ensuring all expenses incurred are reimbursed promptly
- Resolved jointly with the CR President the outstanding CUSU fees owed from previous years
- Organised with College a schedule for the transfer of CR fees leading to a stable cash flow
- Involved in coordinating the successful refurbishment of the College gym
- Helped plan Freshers' Week events and put the finances in place to allow them to happen
- Attended College & external meetings to represent the CR

If re-elected as treasurer I plan to:

- Continue ensuring that all expenses are reimbursed promptly to students and advances are available when required
- Build on previous discussions with College regarding future funding for the CR
- Ensure the finances are in place from College to allow the growth and development of sports and societies
- Ensure the CR finances are made transparent, clear and available to CR members for scrutiny
- Begin setting finances aside at the end of the academic year for long term projects of the CR

Feel free to contact me with any questions - sjc248@cam.ac.uk

Proposed: Ian Gaffney
Seconded: Peter Allott
