

Zoe Hill

Running for...

Librarian

I am:

4th year vet student

Cambridge local

Frequently found in the library

Geeky enough for this position (thanks for that one Olga!)

We all use the library at some point during our time at eddies- whether you love it or come to view it as a prison during exam term- its an important part of life here.

I aim to

Maintain the library as a friendly, clean, uncluttered working space

Ensure when books are returned they are promptly back on the shelves

Help student's source essential books when they are not available

Keep desks tidy and clear especially during exam term when demand is high

Develop a small collection of popular fiction books for borrowing

Organise a book sale at the start of year so students can sell any unwanted books to new students

Vote for me...

For a cheery happy face around the library

Get me involved in college

Let geeky be the new cool!
